

# FAM TRIP

MOSCOW

03.09 – 08.09

# Day 1

Arrival in Moscow /Transfer to Hotel

---

**20:00-22:00**

Welcome Dinner aboard the  
stunning Radisson Royal Flotilla  
Yacht

**22:00-22:30**

Transfer to hotel

Flotilla "Radisson Royal, Moscow" is ultramodern river yachts with restaurant service on board, designed for sightseeing and entertainment walks along the Moscow River for citizens and guests of the capital. Its all-weather yachts cruise the Moskva River water route 365 days a year, avoiding traffic jams and allowing to see 30 main sights of Moscow only in 2.5 hours.

# Day 2

---

**10:00-10:15**

**Meeting at the Hotel with the Guide**

Walking around the perimeter of the Moscow Kremlin, you have a chance to view all the towers in detail, see the Alexander Garden, embankment of the Moskva River, the Vasilievsky Slope and, of course, the Red Square, where St. Basil's Cathedral and the Historical Museum are located. This is the essence of cultural and historic heritage of Russia.

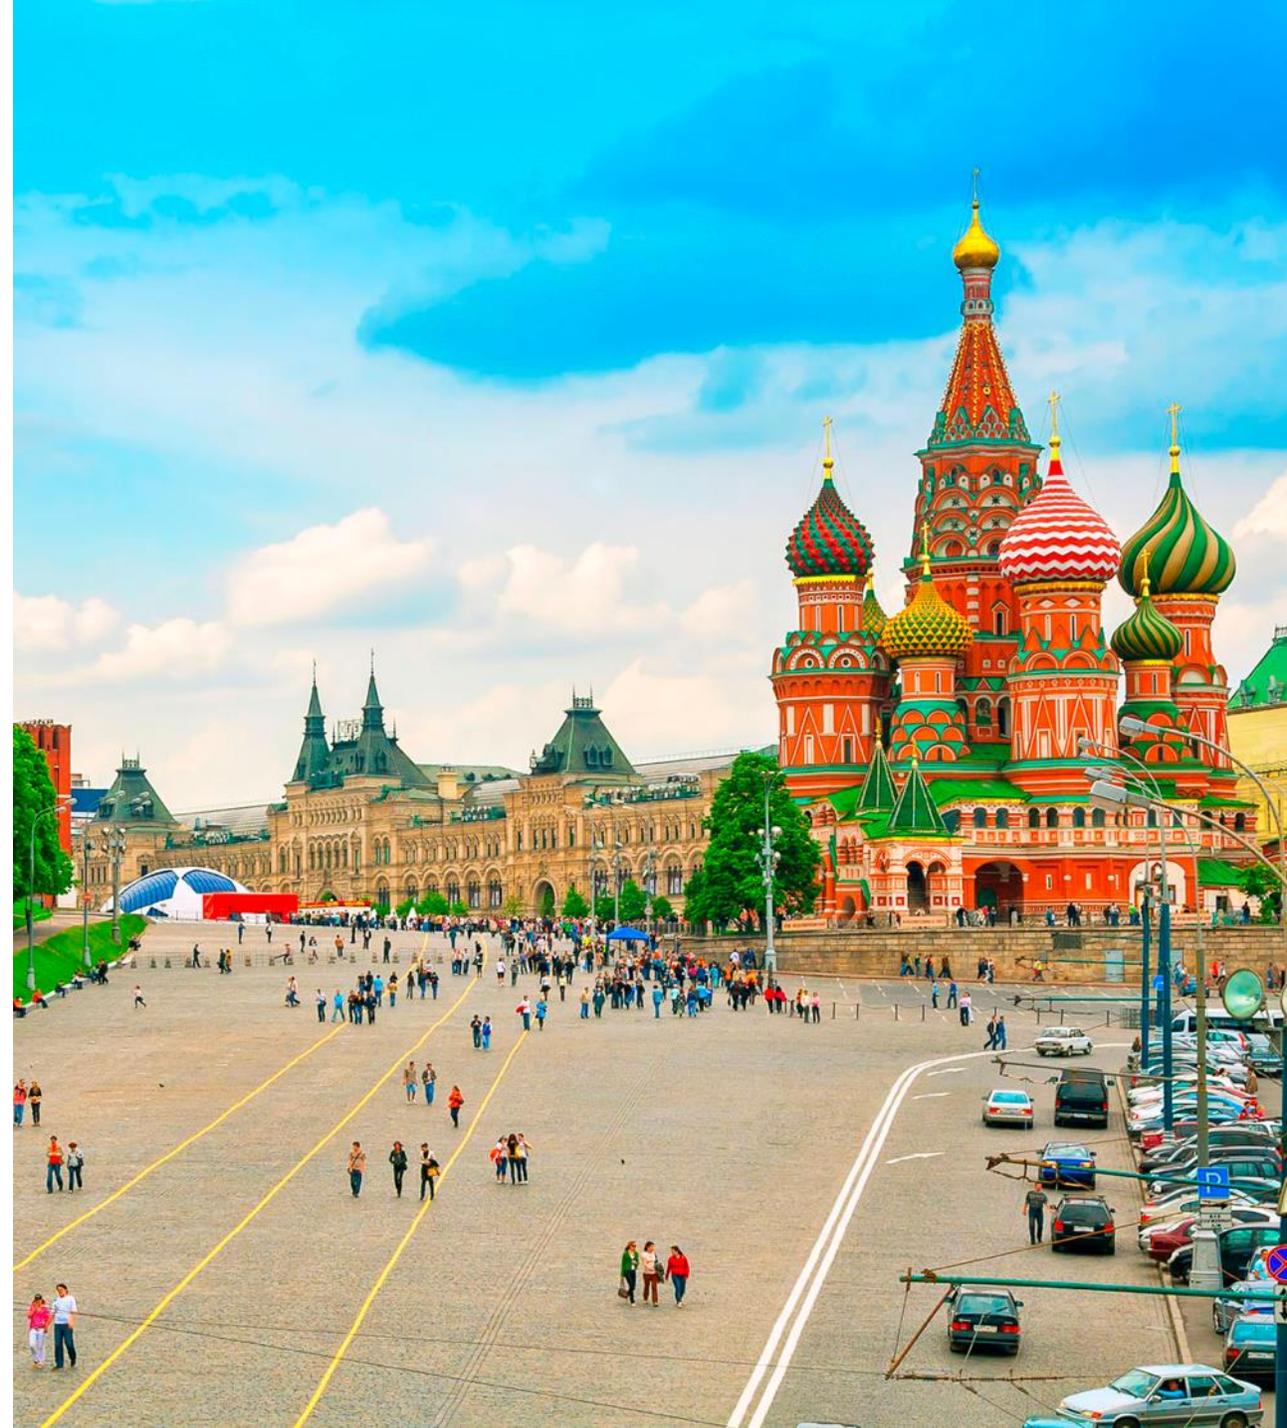

The building of GUM, or the State Department Store, built in pseudo-Russian style, is a listed Architectural Monument of federal significance. Nowadays it features more than 100 of the world's leading brands. Moreover, you have a chance to try famous ice-cream here – the best of Russia.

Zaryadye Park was opened two years ago, on the occasion of the 870th anniversary of Moscow. The area is known as one of the most picturesque ones of the city: there you can see plants from four natural sites of Russia, and a River Overlook above the Moskva River.

The Central Kids Store' on Lubyanka is the main toy department store of the city with 100 stores. It presents the largest international and the best Russian brands of goods for children of all ages and expectant mothers. Toys, clothing, hobby and creative goods, gifts and much more.

**10:30-13:00**

**Walking Tour through the centre of Moscow**

# Day 2

---

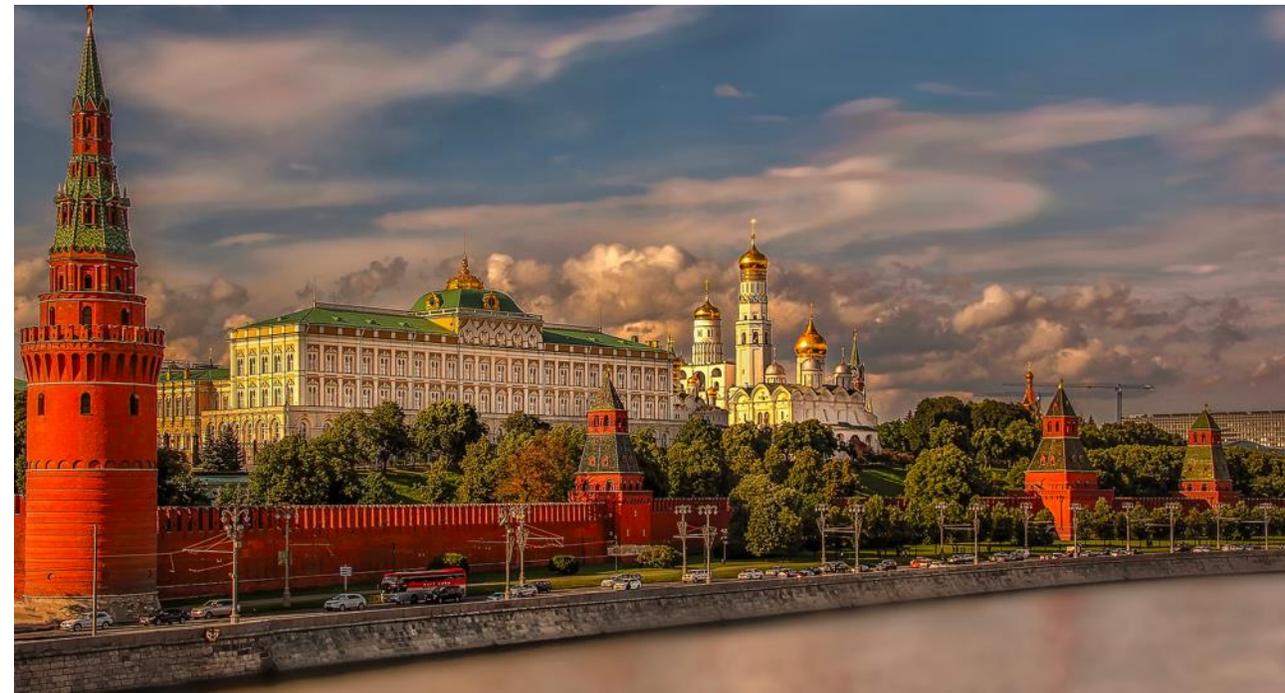

**13:00-14:30**

Lunch

**14:30-17:00**

Moscow Kremlin

The Moscow Kremlin is the chief architectural ensemble of the city. Along the South wall of the Kremlin, overlooking the Moscow River, you will find the Grand Kremlin Palace. Within the Kremlin there is a Cathedral Square, the so-called "City of God". The famous Tsar Bell and Tsar Cannon are there, too. Six buildings, including 3 three enormous cathedrals edge the square. Most of them, the work of Italian architects during the late 15th and early 16th Century. The Armory building built in 1851 as a factory for making weapons nowadays houses a museum, in which an enormous collection of Russian national treasures, including the famous Fabergé eggs, carriages, cookware, jewelry, etc. is on display

# Day 2

---

**17:30-19:00**

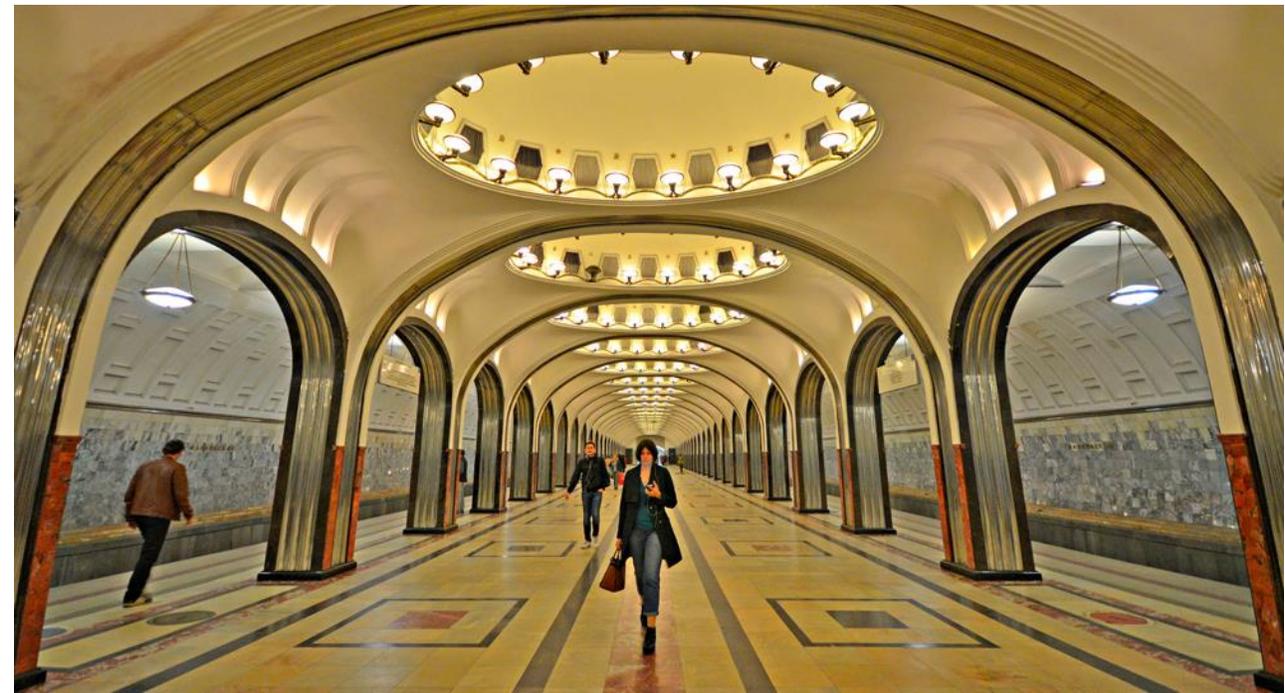

**TsUM Department Store, boutiques  
and shops of Tretyakov Drive**

**19:00-20:00**

**Moscow Metro Tour**

Moscow is famous for its shopping opportunities. TsUM is the signature fashion department store of Russia - has been a historic sight and the symbol of fashion in Moscow for more than 110 years. Being the largest department store in Eastern Europe, it offers ready-to-wear, shoes and accessories collections of the world's leading fashion brands. Tretyakov Drive nearby offers a great variety of boutiques and shops with many luxury goods.

The Moscow underground system (Moscow Metro) deserves special attention. It is an architectural masterpiece and, above provision of fast and convenient means of transport, is a cultural object.

# Day 2

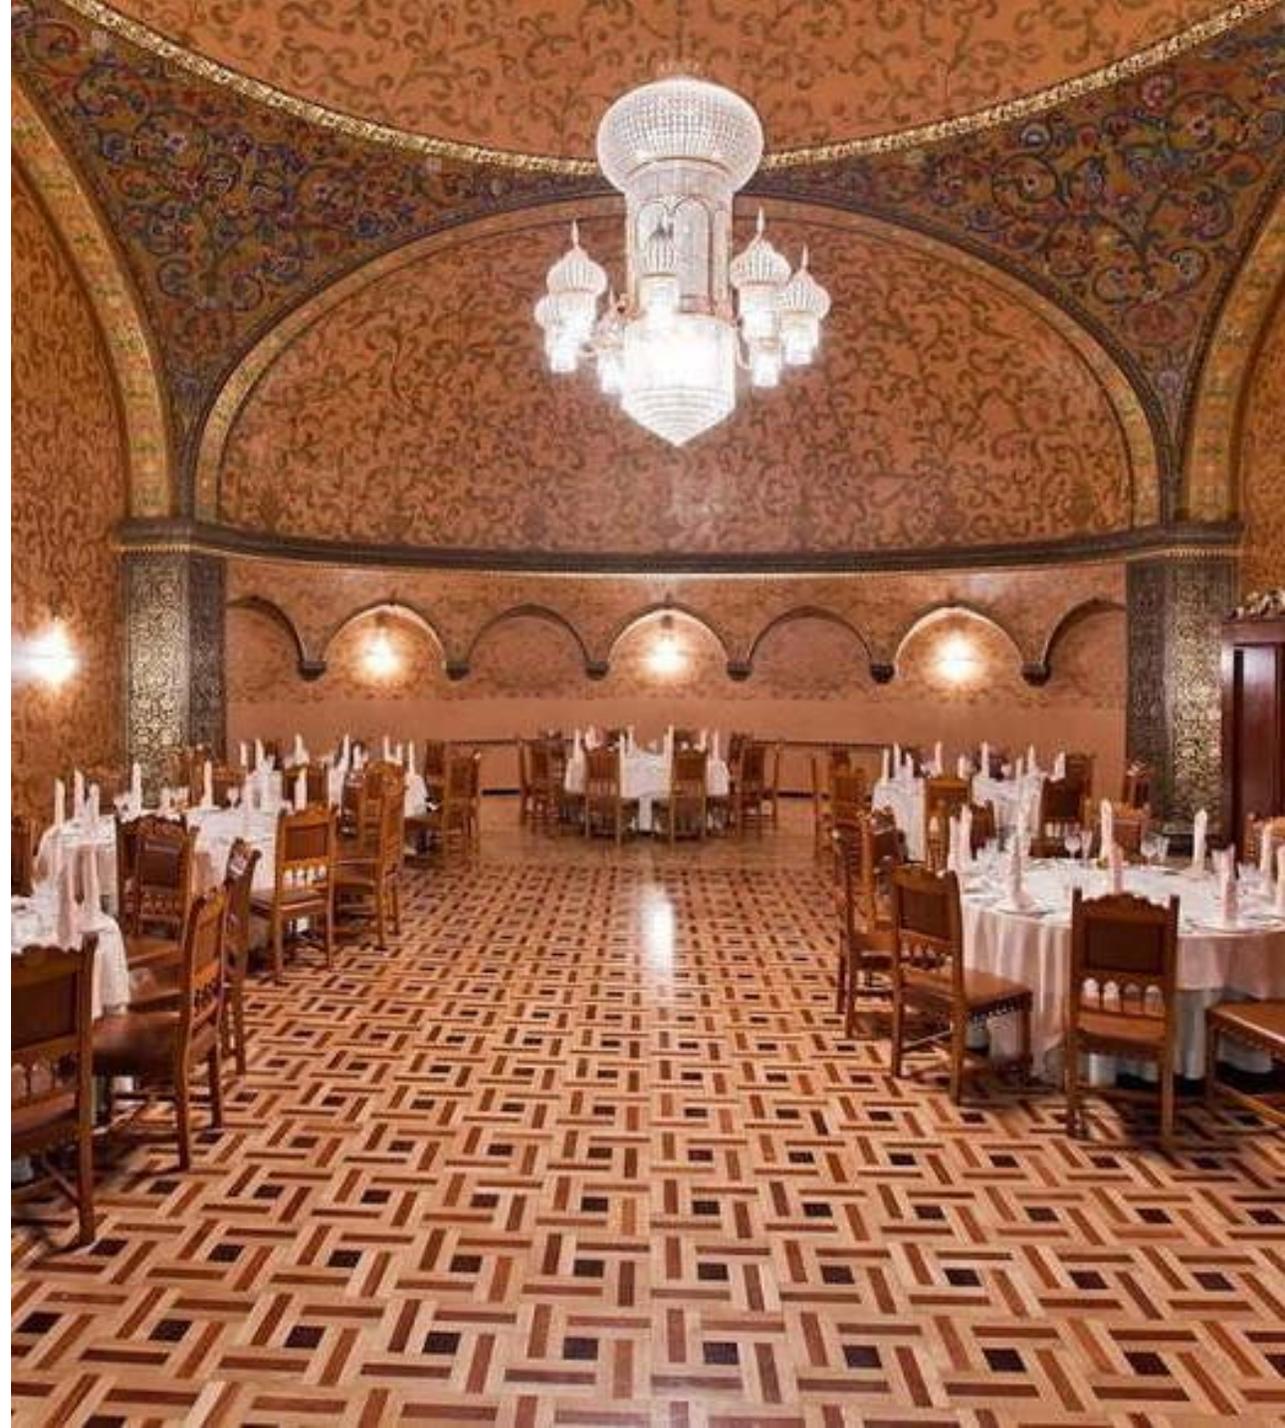

---

**20:00-21:30**

Dinner

**21:30-22:00**

Transfer to Hotel

# Day 3

---

**10:00-10:15**

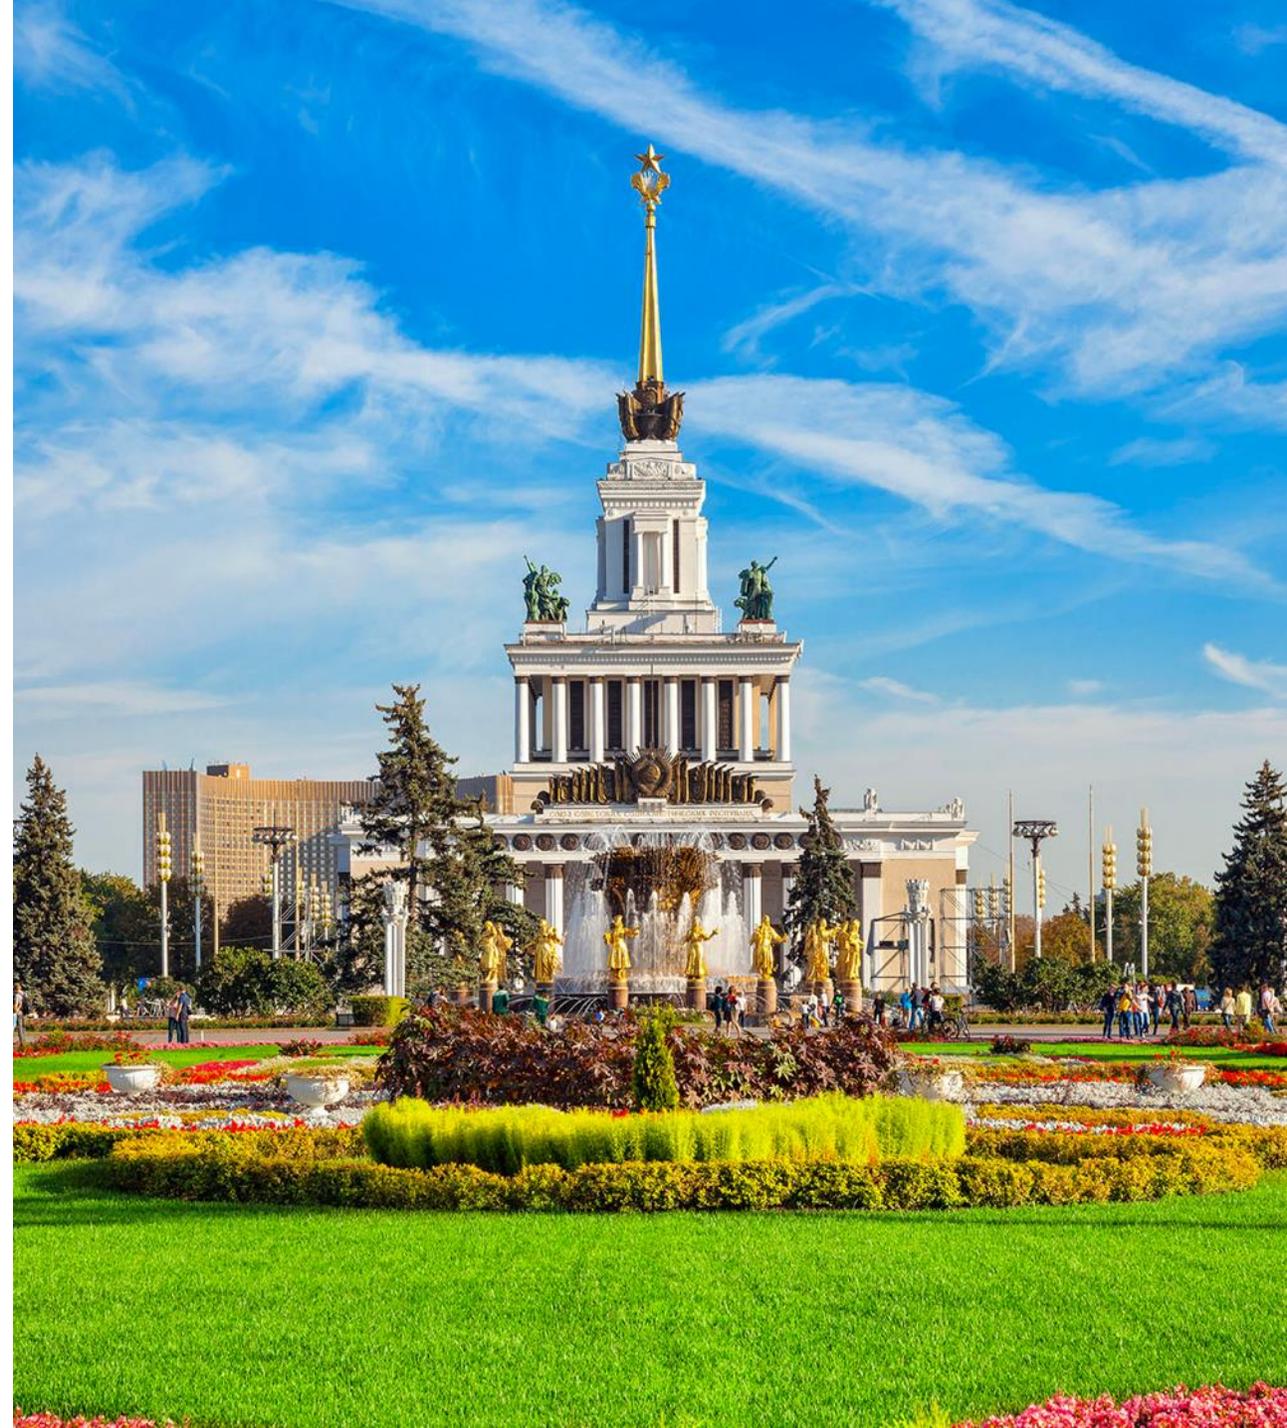

**Meeting at the Hotel with the Guide**

**11:00-14:00**

**Tour to VDNKh**

The VDNKh is the largest exhibition, museum and recreational center in the world and one of the most popular public spaces in Moscow. In recent years, the large-scale project for reconstruction of historic pavilions and for recreational development of local areas has been initiated. According to a complex concept of VDNKh development, its territory includes seven zones, each of them having its topic, image and sense. They are Central alley with a unique exhibition area named "Museum City", all-season theme Attraction Park, educational cluster named "Park of Knowledge", Landscape Park, Park of Handicraft, EXPO Zone and Ostankino Park.

Visiting the territory of VDNKh you will be able to see the unique Museum of Cosmonautics, where you can admire Soviet accomplishments in the cosmos through 85,000 pieces of space-related stuff, including the taxidermied remains of Belka and Strelka, famed canine cosmonauts. Another sightseeing is the Europe's largest aquarium located distant from the seaside - The Moskvarium with 12,000 sea and fresh-water creatures. There you can spend all day and watch a complex of 80 aquariums and a water show with killer whales, sea lions and sea-cows.
